11. Scoring

1. The Individual Competition of Race in each class
(1) International Friendship Individual Competition of Race in each class
Each boat's rank will be determined in accordance with the total sequence

result including the sailors of the foreign club teams and Japanese sailors of the same class.

(2) Japanese Individual Competition of Race

The rank of Japanese Individual Competition will be determined based on Japanese sailor's rank of the above (1) total sequence result.

2. The Team Race rank will be determined as follows, based on the total sequence result of the individual sailor of each team or club of the above 2-(1).

(1) International Friendship Team Race

① Each club team's series score will be the total of the best three boats' rank of all classes where more than six boats participated.

② In case the number of boat participating this regatta is exceeding three boats, minus 1 point per one boat will be added, but up to minus 5 points. In case the number of boat is less than three boats, last rank point of the class of the largest number of boats participated will be added in proportion to the number of the shortage.

③ The rank of the club team will be determined by the low point scoring system in accordance with the total of the best three boats' rank point and any minus or additional.

④ In case of the tie score, the club team of the more number of boats participated will be ranked higher. Even if it is still tie score, the club team which participated in more number of classes will be ranked higher. Thereafter the club team which has the higher rank boats among three boats will be ranked higher and then the club team which has the higher rank of the class where the largest number of boats participated will be ranked higher.
